DECLARATION UNDER 37 C.F.R. 1.132

Sir:

I, Larry Zagar, hereby declare that:

1. I have been employed by Goss International Americas, Inc. or its predecessors for over 20 years and have over 20 years of experience with printing presses. I currently am employed as Director for Research & Development.
2. Typical web tensions in the region of the drying path for newspaper and commercial web printing presses printing on paper are between 300N/m and 600 N/m.
3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
